The Senior Class
of Clairemont High
School in San Diego,
California Presents The

CALUMET

1962

FOREWORD

A black and white photograph of a modern building. The upper right portion shows a grid of windows. Below this, a large, light-colored rectangular panel is visible. The lower half of the image is dominated by a series of vertical lines, creating a strong sense of height and drama.

Dramatic lines of the County Court House reach skyward, symbolizing its high standards of justice.

Dynamic contrasts are characteristic of San Diego. It is the oldest of the California cities, yet its supple spirit of youth is evident at every turn, transforming tomorrow's nebulous dreams into the realities of today.

It is this spirit that has attracted science and industry to the City of the Sun, and with them comes the modern, functional design that arises from their progressive tempo.

The 1961 *Calumet* showed San Diego's quiet, relaxed beauty; the 1962 edition parades a different kind of artistry - the manifestations of its spirit of progress.

"Sabrina Fair"

Mrs. Linus Larrabee appears somewhat taken aback as Sabrina happily displays her surprise gift.

Linus Jr. listens with typical calm as Sabrina tells Mrs. Larrabee that it is "him" she wants to marry.

Linus Jr. listens with typical calm as Sabrina tells Mrs. Larrabee that it is "him" she wants to marry.

bolstered the senior class treasury

Aunt Julia is forced to "take her medicine," but she obviously isn't too fond of the idea.

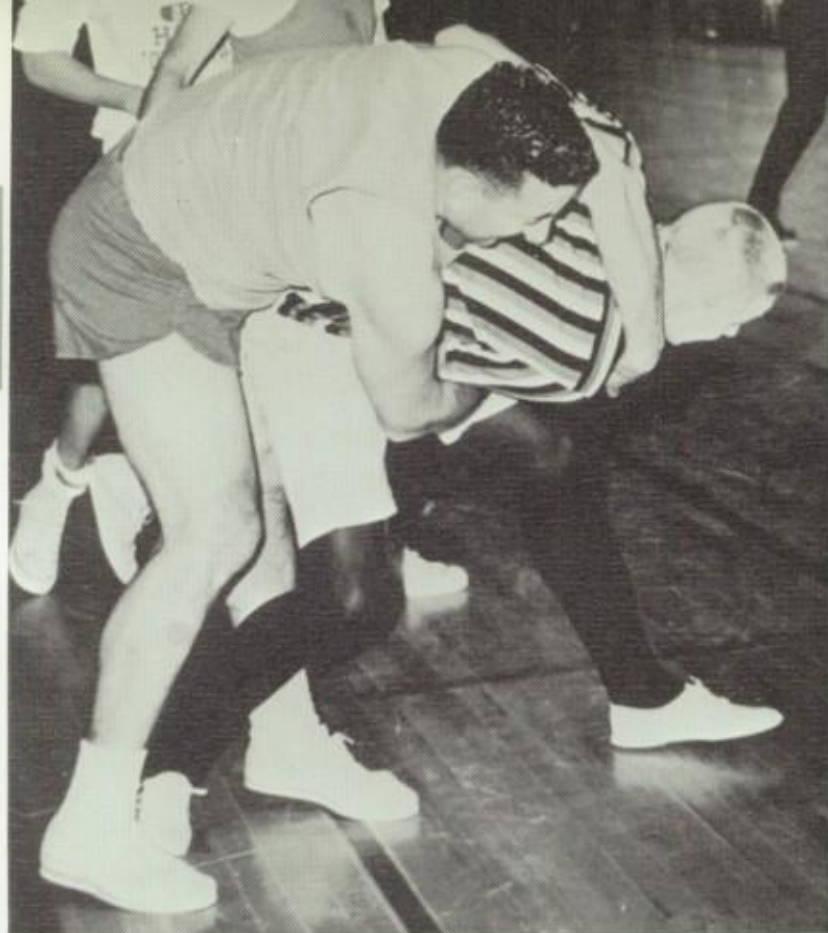

Oooooof! Too late to duck!

Below: Showing varying degrees of pride and satisfaction, "Sabrina's" cast takes a curtain call to the roar of enthusiastic applause.

Senior-Faculty

Typifying the faculty's adherence to the rules of basketball, teacher Romeo fouls C. Hysom in a futile attempt to wrench the ball from the grip of the younger senior.

Tigers on defense and under the boards, the Faculty never quit. Unfortunately, they at times became confused: in this case the Senior in the striped shirt doesn't have the ball. The annual fun fest provided many laughs for "charity"—the AFS fund.

"Killer Clarence" and the boys converge on the Faculty's helpless representative, Carl Lutz. Frantic Gorden Carter is already fleeing the scene of the impending collision.

Basketball Game

...offered Seniors and Faculty alike an opportunity to vent their righteous wrath.

Usually one of the high points on the list of senior activities, this year's Senior-Faculty collision slumped to a new low. The highly-touted Seniors lost to a vastly inferior Faculty squad, but only under questionable circumstances.

It was rumored that the official score-keeper was really a faculty member in disguise and took numerous liberties while tallying the Faculty's points.

Also to be taken into account is the unscrupulous substitution of fresh players every one and one half minutes by Faculty player-coach John Carey, to tire the Seniors, in for the entire period, in the final quarter.

Once again the hopelessly out-classed Faculty is forced to foul to remain in contention; Dick Eiler delivers a smashing body block to an unsuspecting Senior while Rick Shaw, dressed in "Baby Doll" P.J.s looks on in horror.

America's hope for the future and the team that, had the score-keeping been above-board would have doubtless been victor in the Senior-Faculty fracas.

Seniors in Action

At homecoming '61—Sherry poses, Bonnie plays football, Ingrid says "Hi!", Cindy gives orders, and Patsy is nasty to the photographer.

Hey, my boomerang won't come back!

1-2, Cha-Cha-Cha!

Gee, a real, live foreign exchange student—and he's standing next to ME!

San Diego, in its climb to "major-league" stature has developed co-ordination of its separate parts, much as a giant shopping center. So too, must the juniors achieve this co-ordination in their climb to seniority.

SOPHOMORES

Symbolic of "Sophomorphism" is this geodetic dome of many facets at the San Diego Children's Zoo. All its parts seem bound for different places yet, mysteriously, it holds together. Too, like the untenanted auditorium, they have the capacity for great things, needing only the accumulation of future knowledge and maturity to help them achieve their goal in life.

Chieftans in Action

Some people come to the scholarship office for help, but the others . . .

Ants have been a problem around the campus this year, even at dances.

". . . and the fire started so fast me and Claudius here had to grab my fiddle and run."

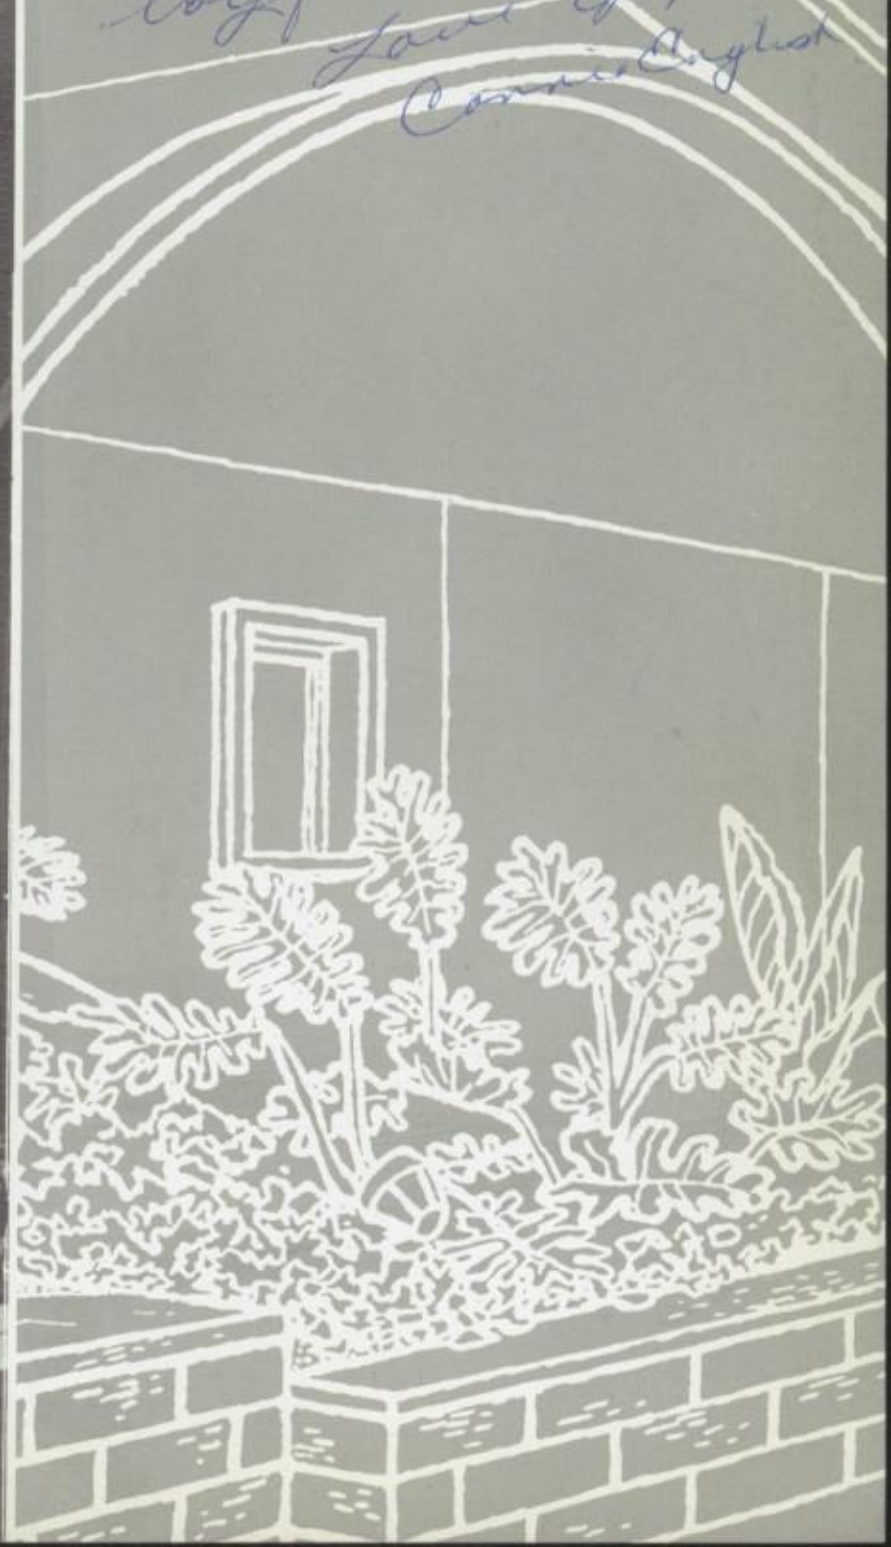

"It was black and gold, about this long, and it crawled right under this printing press!"

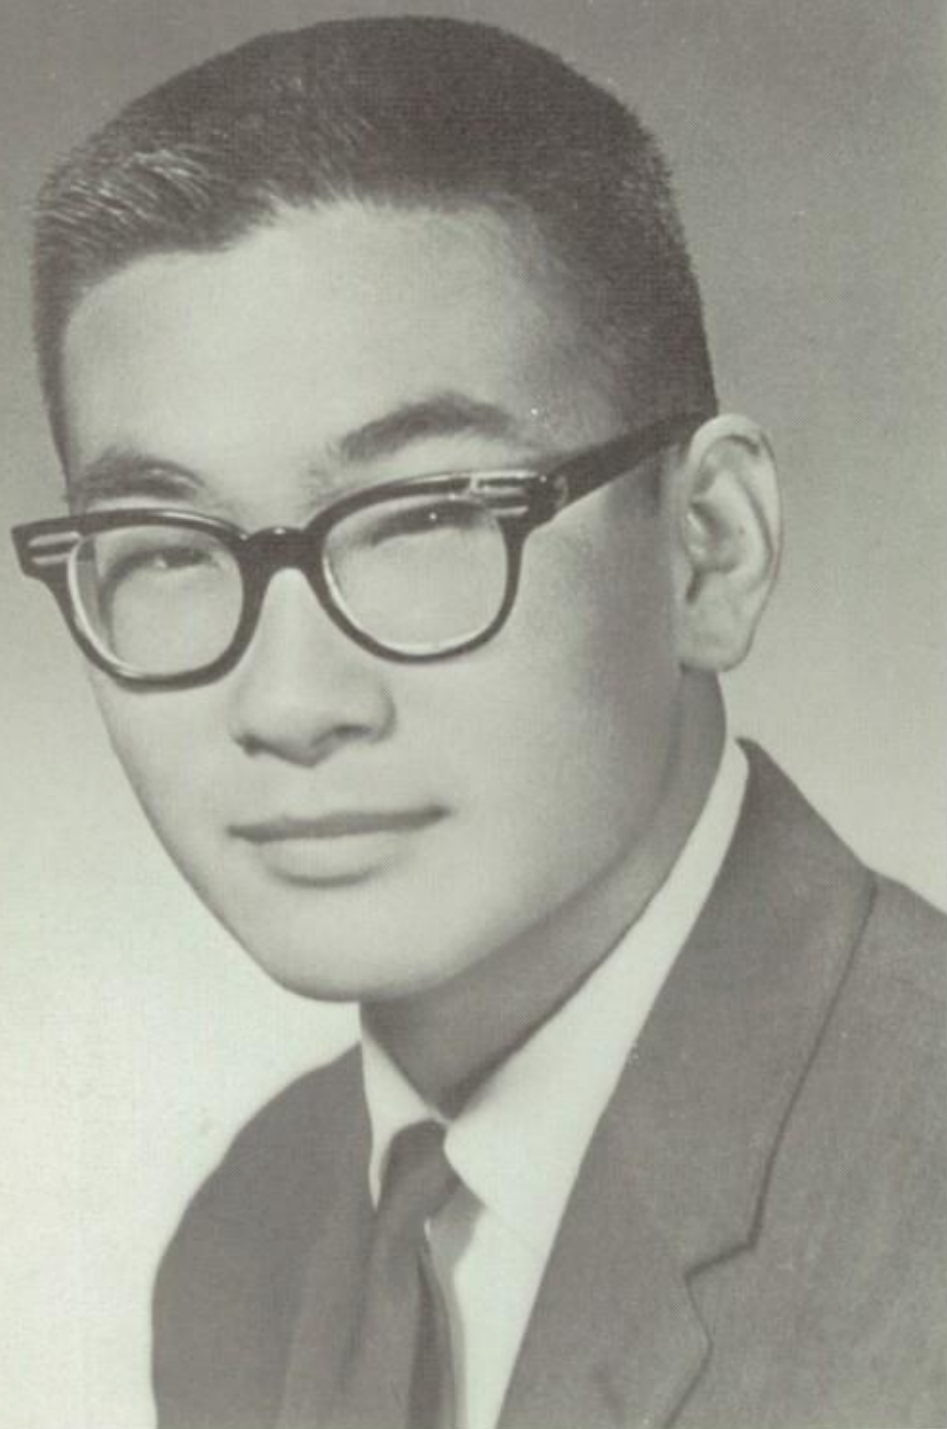

Manufacturers of even the most basic commodities have incorporated the modern look into their building design, thus becoming an aesthetic as well as economic asset to the community.

Associated Student

Timothy Kaihatsu
Commissioner of General Affairs

Classes continue to replace one another and to each is attached the certain sentimentality resultant when a group of people holds many experiences in common. An important part of the ASB Commission's job is to promote and build such common feeling and tradition among the members of Clairemont High School's present, past, and future student bodies.

With the large enrollment of some 2400 students this year this task and that of effective government appeared difficult; however, the excellent participation of homeroom representatives and the solid support of ASB cards by students have made this year at least a moderately successful one.

If, on a larger scale, the Commission has succeeded in helping build and solidify ideals and tradition at Clairemont, then this year may be counted a most successful one.

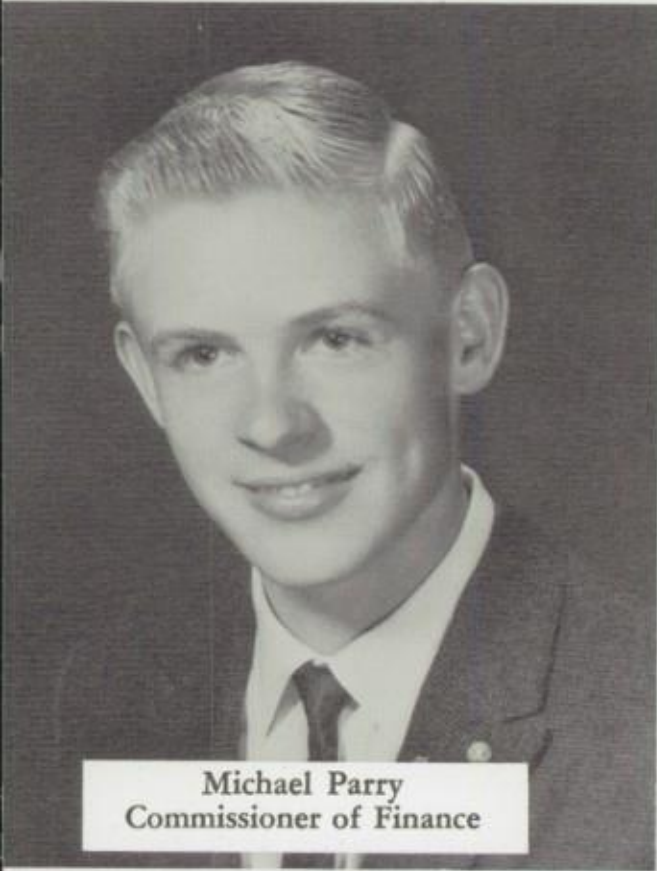

Traditions, rather than material appearance, are the heart of a high school. Every member of the Associated Student Body of '61-'62 can be proud of the part he has played in building tradition at Clairemont High School, tradition deserving the honor and respect of Clairemont student bodies of the future.

Such tradition is not built swiftly, but slowly, through the intangible, intrinsic pride and kinship attained by being part of a school and its activities. As Clairemont is a relatively new school it can and does exercise a certain amount of eclecticism in forming its traditions. The enthusiastic school spirit at athletic activities, the active and growing circle of Affiliated Clubs, and the excellent student body-administration relationship reflect the benefits of this practice.

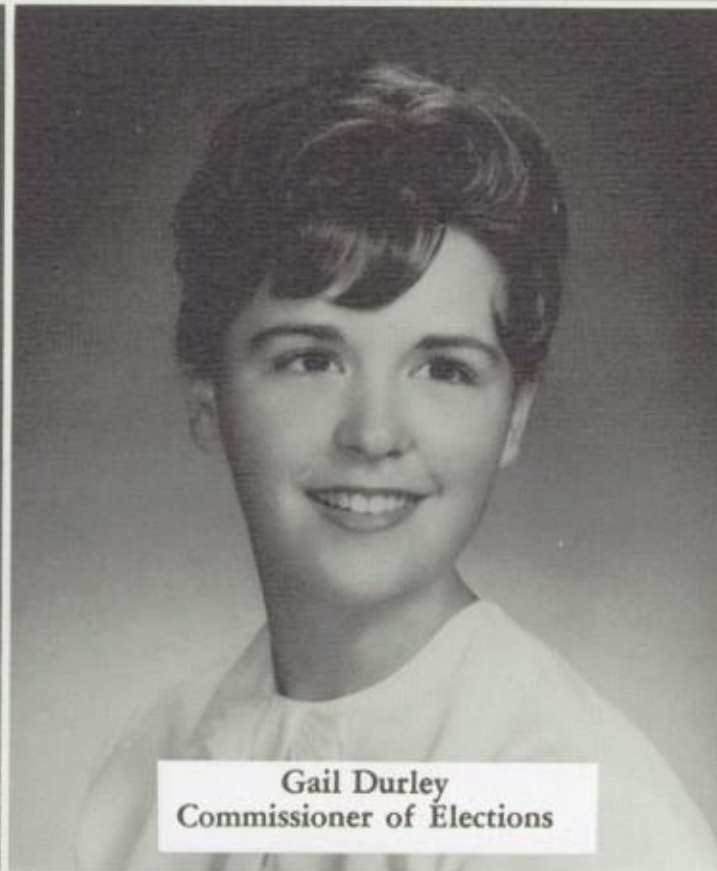

Internationally, this school year will be called the year of the big bomb, the year of the astronaut, and the year of crisis for the free world. Nationally, the growth of reactionary and radical political groups is a feature of this year. Locally, at Clairemont High, this is another year in which another group of young people graduated to discover what the world is really like.

Varsity Football

had its finest

Coach Henson

Coach Duke

The old cliché, "the third time's the charm," was borne out by the CHS football team this year. It was their third year of Western League competition and the first year they weren't residing in the loop cellar at the close of the season.

Although not a banner year when measured by the won-lost record, the 1961 season was successful in other, more important ways. The primary purpose of football, to teach people to work as a team, was furthered as were the causes of sportsmanship and school spirit.

Despite our 1-6-1 record on the season, it wasn't a total loss. We had played some of the top teams in the county and fared better than others who had more talent than CHS.

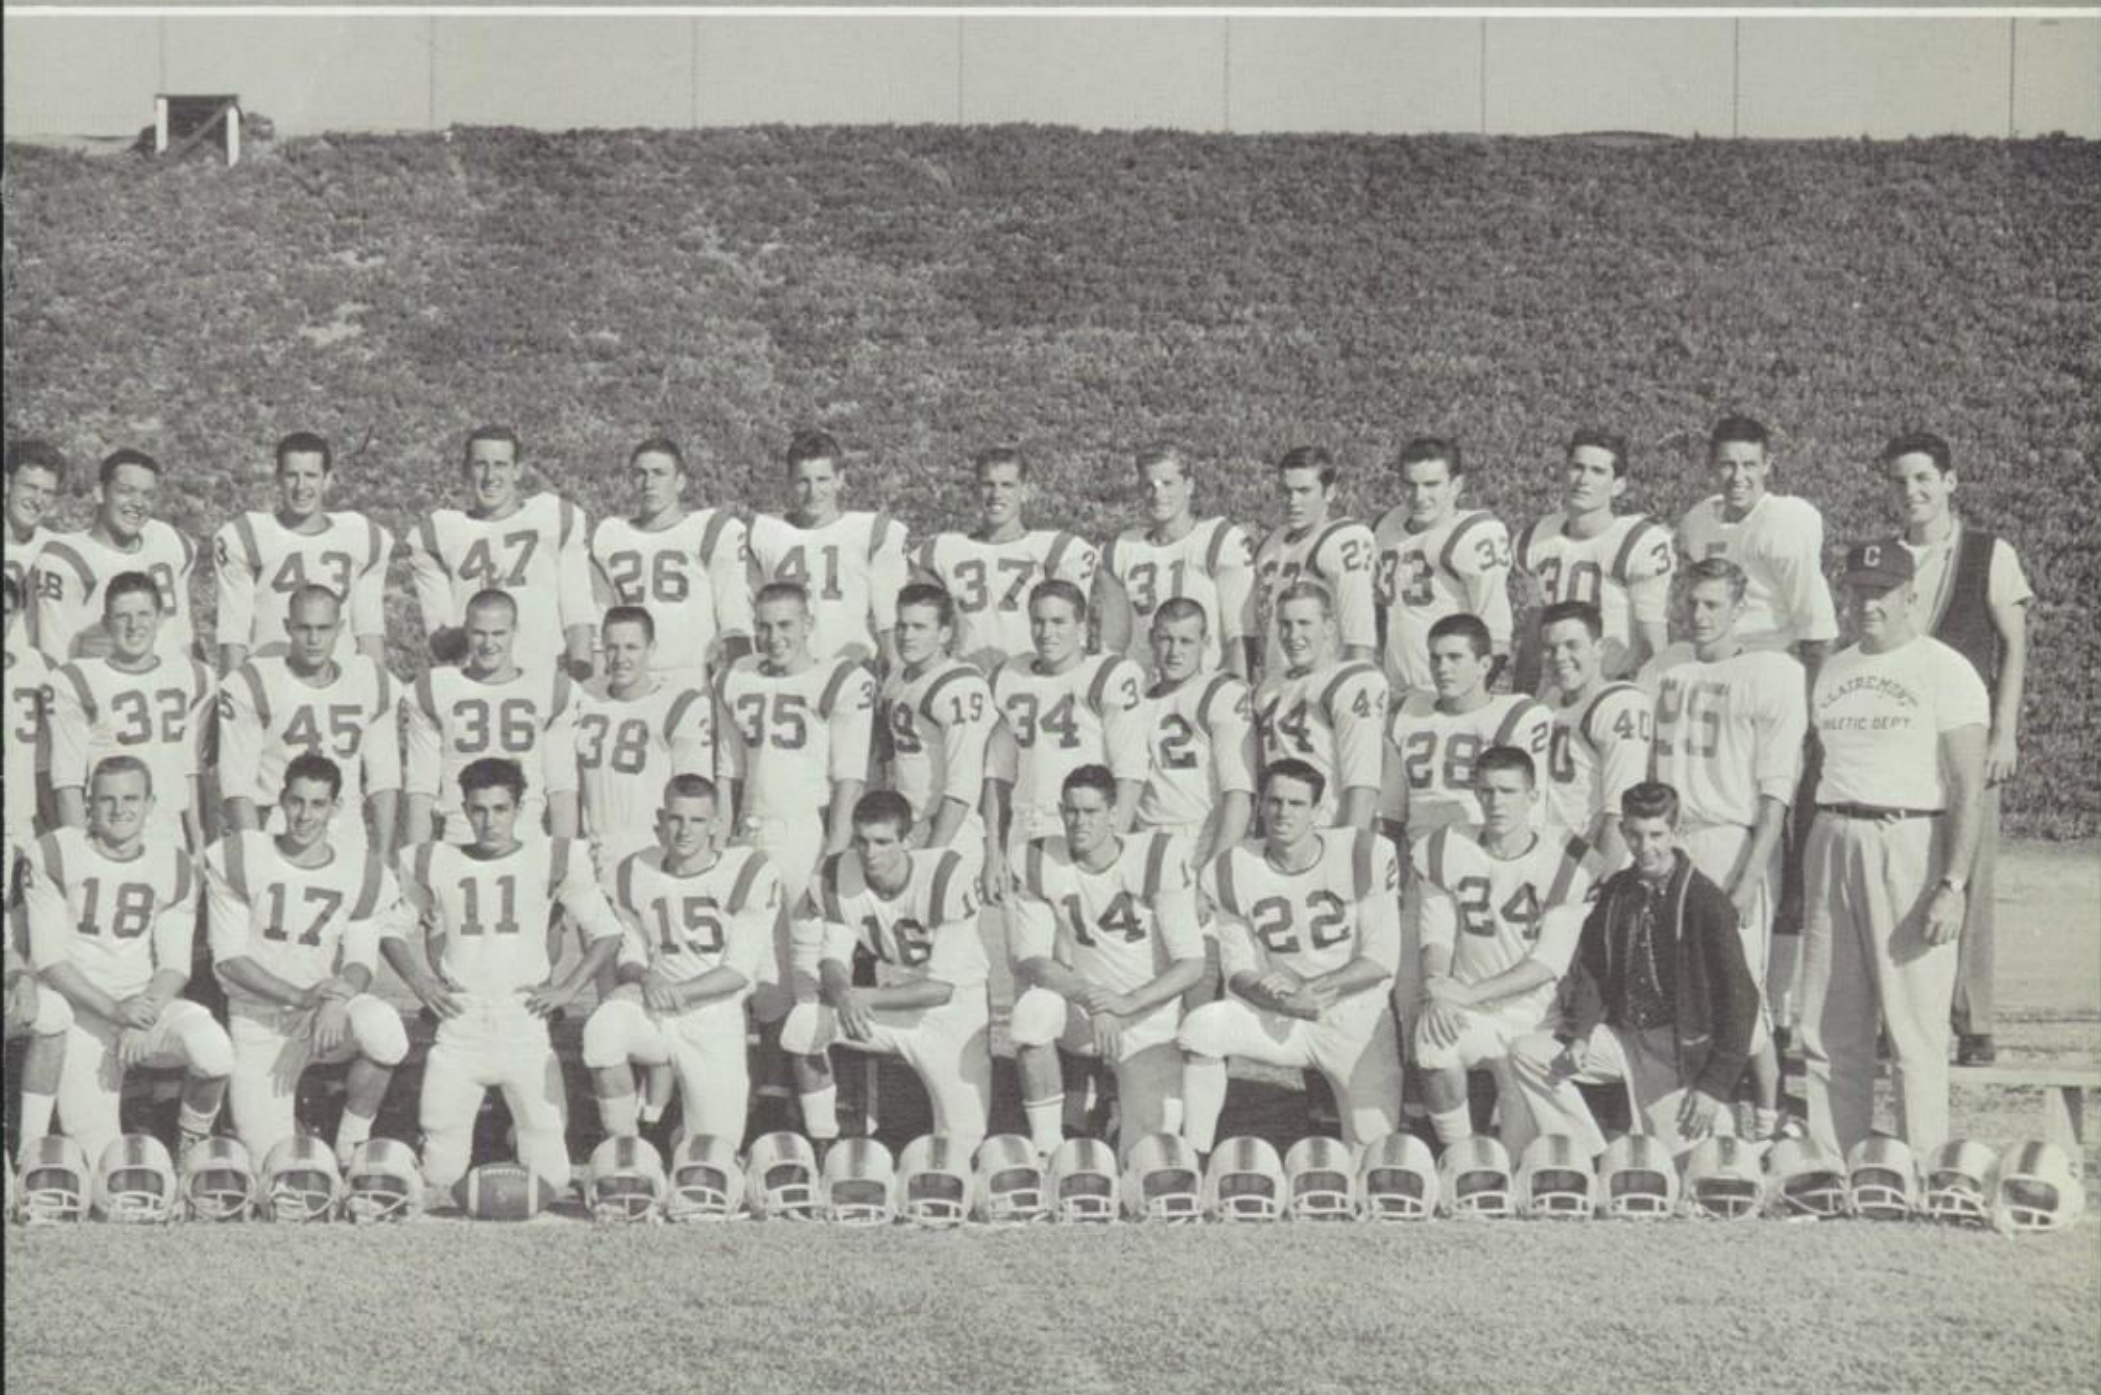

Perhaps the highlight of the season came with our spectacular upending of arch-rival Mission Bay 40-6. This was a fitting sequel to an earlier victory over Hoover in the Carnival.

Offensive team

league season in three years

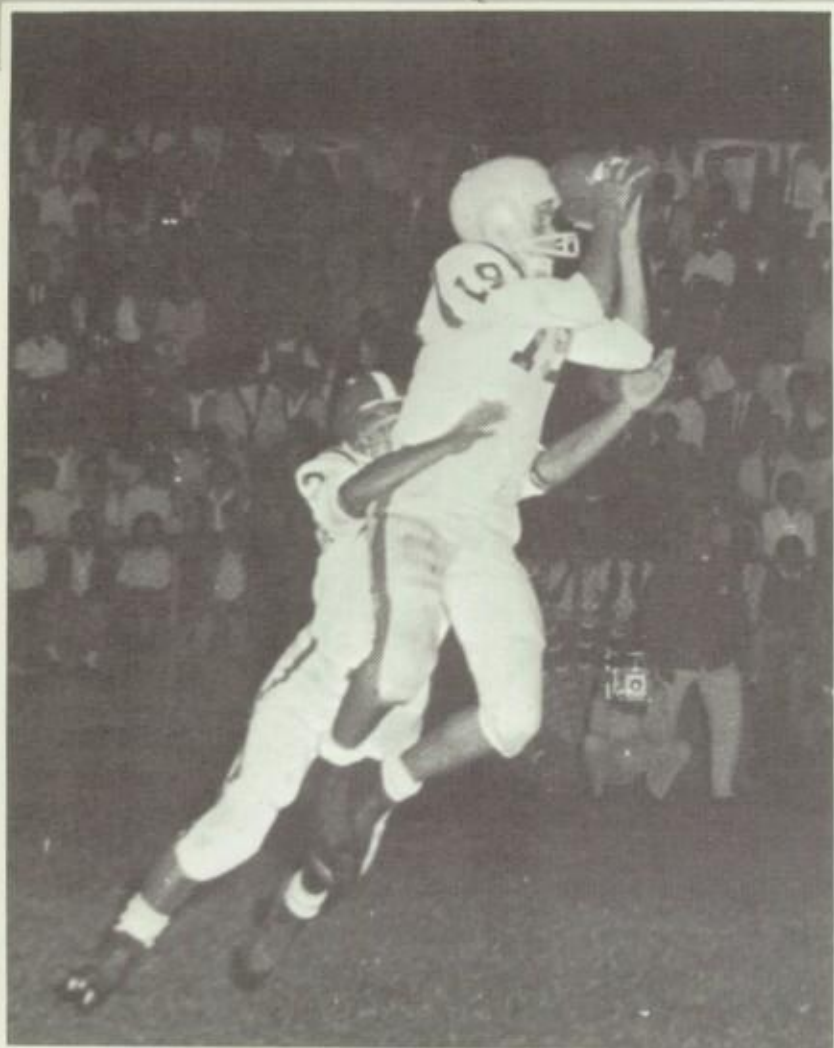

Varsity football team

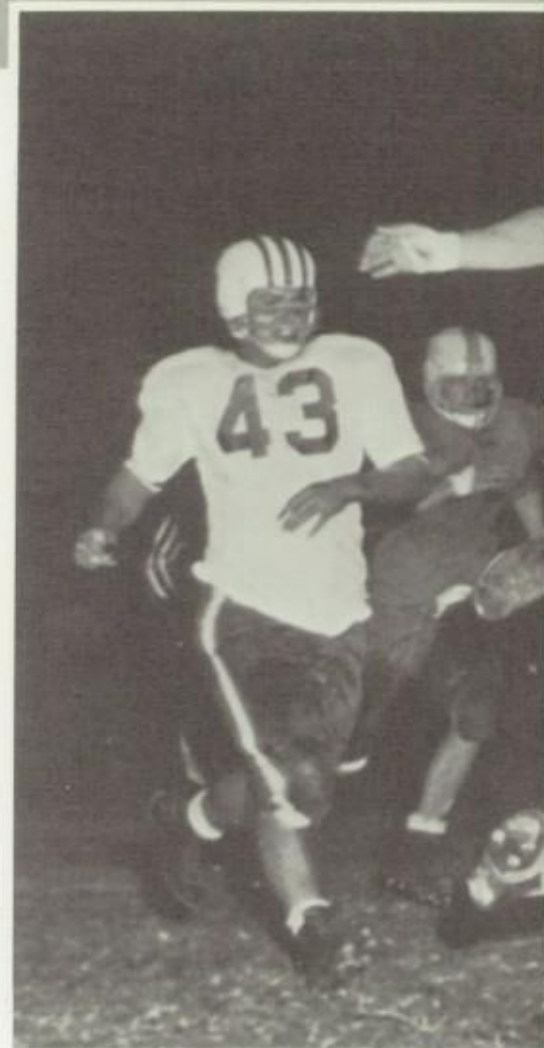

One of several innovations used this year was the two platoon system. Through it the poise that comes with game experience could be gained faster and by a greater number of players than would have otherwise been possible.

Defensive team

End John Rogers pulls in a pass from Tom Bowden for a key Chieftain gain. Despite the effort Clairemont absorbed its first defeat of the 1961 season as it fell to Helix, rated first in the county, 40-6. Larry Godfrey supplied the lone CHS score on a 49 yard sweep around right end.

John Rogers

Bob Bovee returns a Red Devil kick-off as the team turned in its best effort to date. Sweetwater, another resident of the top ten, barely managed a tie in the last 45 seconds. A last play pass interception gave the Chiefs possession inside the Devil 25, but the clock ran out and the score remained 13-13. Bob Hartin scored both CHS touchdowns.

Bob Hartin chugs off sideline yardage, requiring a pack of Pointers to put an end to his gain. Bad breaks teamed with Pointer power to hand the Chieftains a 23-7 loss. Larry Godfrey accounted for the lone CHS score in the hard-fought league opener.

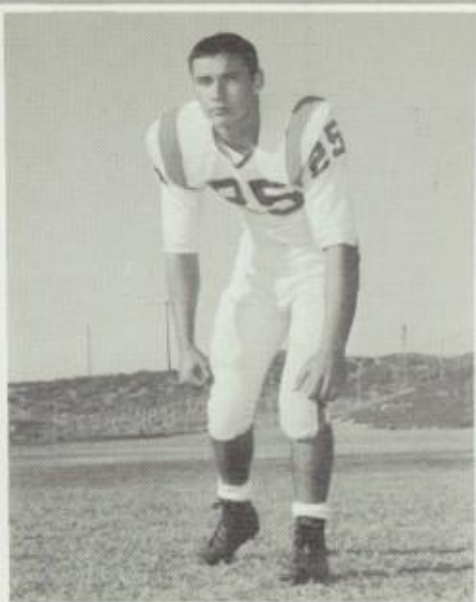

Trailing Buc defenders, Larry Godfrey picks up a first down against Mission Bay. Out to avenge upset losses in '59 and '60, Clairemont keel-hauled the defenseless Buccaneers 40-6 to set a Western League scoring record. Juniors Bob Bovee and Ken Rizzo led the parade into the M. B. endzone with first quarter tallies. Bob Hartin, Larry Godfrey, Ken Larsen, and Chuck Worack each contributed a six-pointer.

Jayvee Football

enjoyed a fine season

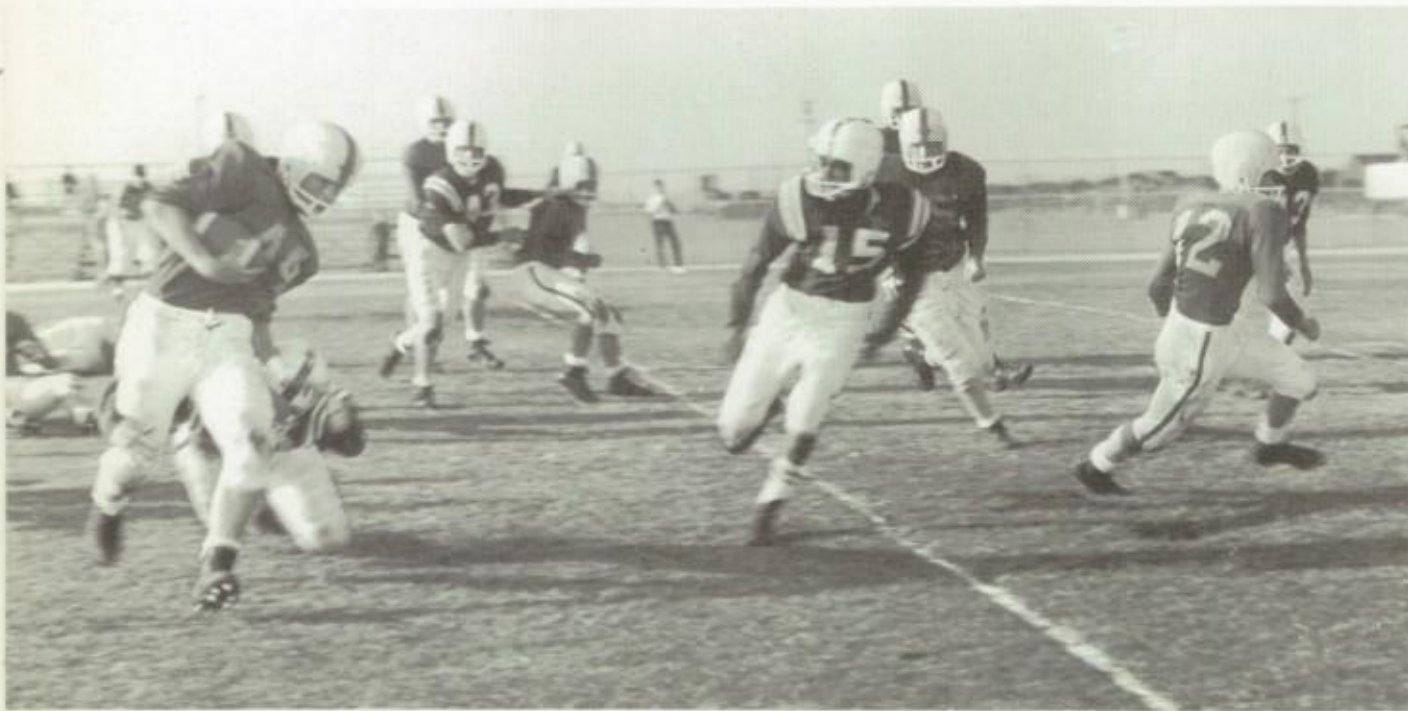

Coach Beck

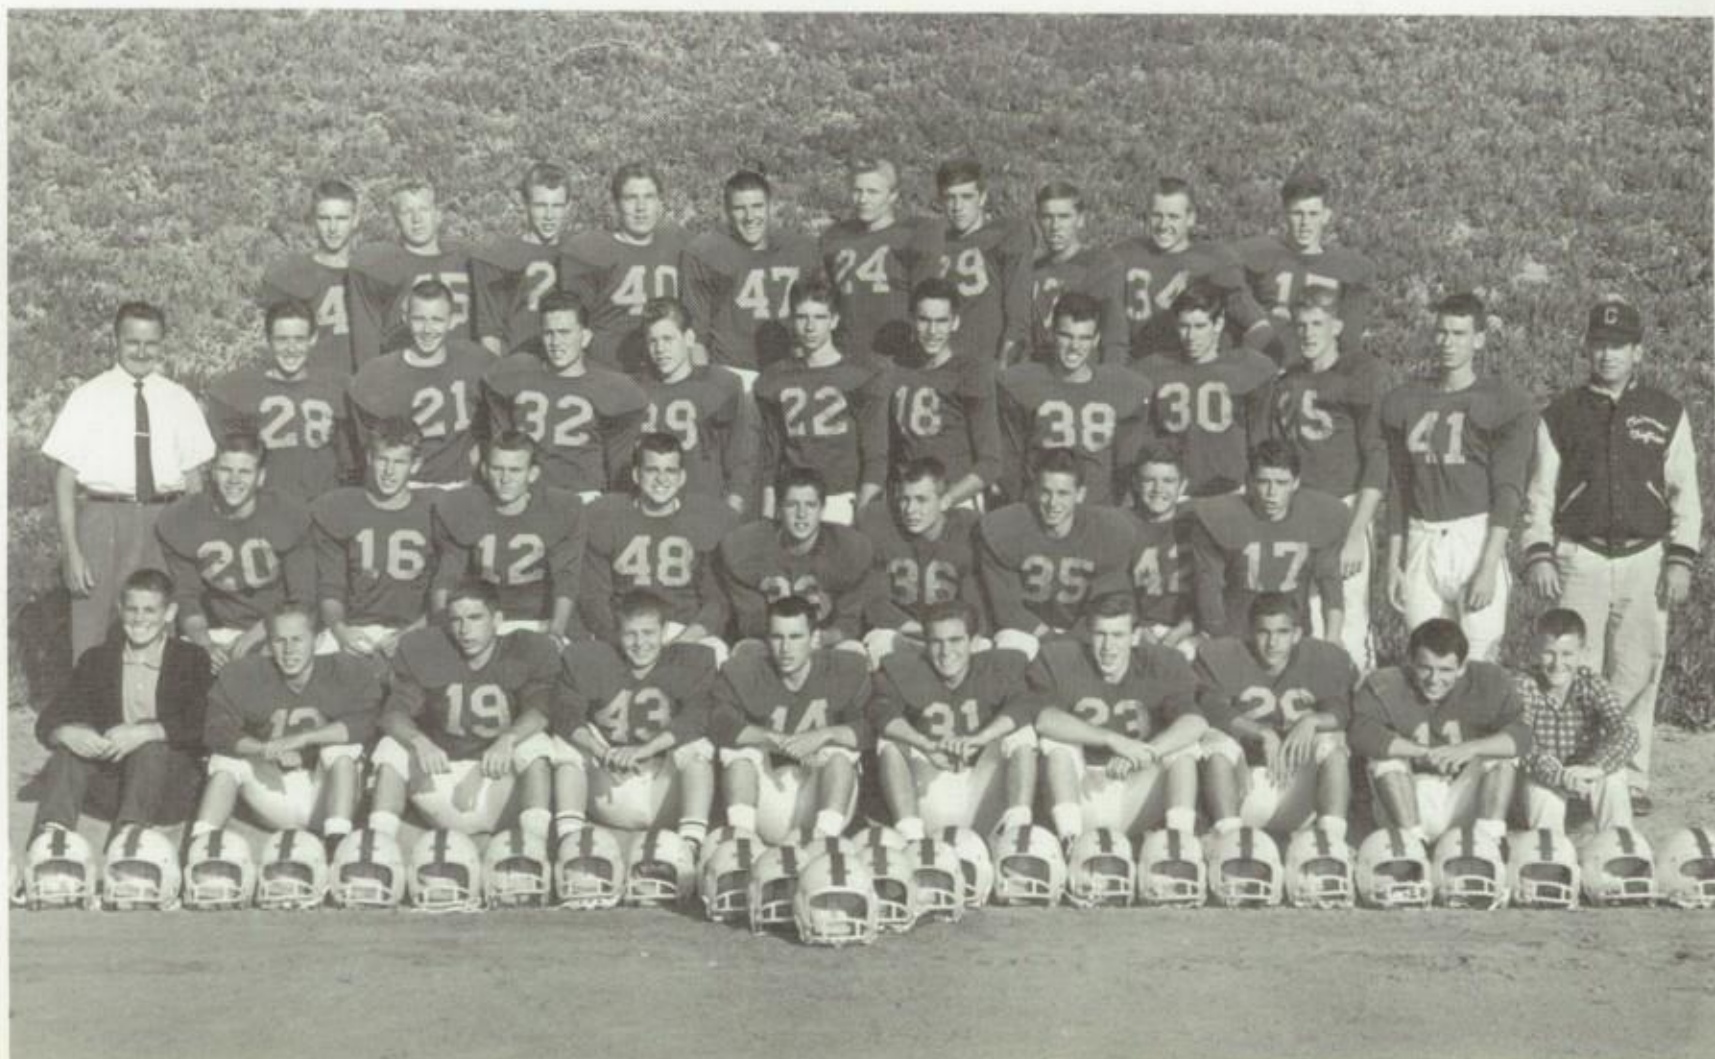

Coach Callan

This year's Jay Vee aggregation, coached by Ernie Beck and Murray Callan, narrowly missed the Western League championship. After an early 7-6 loss to Point Loma they came back to defeat their next three league opponents, placing second in the final standings.

Going around and through Kearny's defense is one of the best ways to score.

Following the Cross Country theme of "never tire," this year's squad strode relentlessly through the numerous rugged workouts, but to no avail, as the Harriers finished fourth in the league. Cary Matern and Tom Smith climaxed an otherwise dull season by finishing first and second, respectively, in the WL finals.

Coach Eiler

Sparked by returning seniors and sustained by juniors up from last year's championship junior varsity, this season's varsity squad put on an impressive display of balance, hustle, and spirit while advancing to the S.D.C.I.F. play-offs. Although their 11-14 record does not indicate a "great" team, league balance and the team's habit of winning league games must be considered.

Jim Malone
Most Valuable Player

Exciting games became the by-word as thirteen contests were decided by five points or less. Of these, two were overtime contests: the loss to San Diego, the number two team, in a double overtime squeaker and the Chief win over the Komets by one in a league thriller. Point Loma and Lincoln continued their domination of Clairemont, winning hard-fought battles that were anyone's game.

Taking a brief time-out during the first Point Loma game are CHS' "Five Iron Men," Zimney, Casey, Ellis, Michael, and Malone listening to Coach Eiler — the "Sixth Iron Man" — suggest a change in strategy.

Gymnastics, an official sport for three years, has proved to be Clairemont's most successful one. The Chieftains won the City Championship in 1960 and 1961 and, judging from the veteran-laden ranks of this year's team, stand an excellent chance of capturing their third straight championship.

I'm going To SAY
Something Nice!
Good Cheers!
Bob Andrews

Virginia,
Another year
has gone by. It
seemed so fast
I hardly saw you
this year. Best wishes
in the future
Joe Col

Virginia
you have a real nice
personality. I hope you
will be very happy in the
future - you deserve it.
Best of luck,
Julie Wiff

Virginia,
Well, kid, it's over
and you made it. Are
you surprised? I had
my doubts about
your making it, but
congrats on a job well
done. You passed with D's.
You never have been too
smart, in math especially,
but I won't tell Mr. Mark.
I wish you the best of
luck in everything you
do. I hope to see you
in the years to come.
Always,
Piane Raud

Dinner
Will be
on all ways
Paul
